

Ideal for many training scenarios including:
Confined space, Urban Search & Rescue (USAR), Road Traffic Collision (RTC), Mountain or Cave Rescue scenarios.

- Fire & Rescue teams.
- Technical Rescue training providers.
- Police, Ambulance/EMS/HART teams.
- Mountain and Cave Rescue Teams.

Extensively Used By

- UK Emergency Services.
- A wide spectrum of companies across industries.
- Health & Safety and First Aid Training organisations.
- Equivalent organisations across North & South America, Europe, Australia and Asia.

Features and Benefits

- Manikin splits into smaller parts with no individual component weighing more than 25kg.
- Due to its detachable limbs it is easier to position in your rescue scenario, especially for training such as confined space.
- Anatomically correct weight distribution to give the 'feel' of an unconscious casualty.
- Strong webbing loop at the back allows easy handling, hauling aloft, storage and suspension for drying.
- Tough enough to withstand being buried under concrete or steel lintels, driven over by a 4x4 vehicle, or dropped from a 2nd floor window without damage (approx 4 meters).
- Water repellent material, making it suitable for wet or foul scenarios such as HAZMAT/CBRN.
- Soft body joints to eliminate the risk of pinch welts and bruising; common injuries when using plastic bodied manikins.
- Comes complete with boots, which are easily replaced if damaged.

Not Suited For:

- Use in temperatures above 100°C or flashover scenarios – See our Fire House manikin.
- Use in water – See our Water Rescue range.

Product Details

- Constructed from the same flame retardant material used in Police ballistic/stab vests, offering 4x the strength and abrasion resistance of 16oz canvas or P.V.C. (conforms to OEKO-TEX® Standard 100, BS EN ISO 12947-2 & 14116: 2008).
- High density polypropylene webbing (25mm rated to 207Kg, 50mm rated to 440Kg).
- Made in the UK - all dummies conform strictly to our ISO9001:2008 standards.

Optional Extras

- Shoutbox and hood to give your casualty the power of speech to add extra realism.
- Face mask and wig for a more human-like appearance.

30 | 50 | 70KG

Model	Description	Height	Weight
